MAITRE Claire

STUDENT IN BACHELOR IN
MULTIMEDIA AND INTERNET

EDUCATION

2022 - 2025: BFI section in Saint-Cricq High school

2025 - Today: Multimedia and internet (MMI) at the University of Tarbes

SOFT SKILLS

Curious

I love learning new things to push my current knowledge above and beyond in hopes of doing more things and to be more versatile in the field that I'm working in.

Efficiency

My philosophy is always to give a satisfactory work in which I'm proud of with the shortest deadline possible

Team Work

I am capable of working alongside other people and motivate them as well as being a leader in group projects to have a compelling and professional work as a result.

Cautious

I try to ensure an alignment with the project requirements to avoid and minimize errors

HARD SKILLS

LANGUAGES

French : Native (C2)

English : Bilingual (C2)

SOFTWARES & PROGRAMMING
